

Crash Management sponsors IBANZ College

Crash Management supports the broker sector by providing a best practice accident management service that co-ordinates all logistics and maximises efficiency for brokers and clients when a MV accident happens.

The service launched in 2004, has grown considerably, and won the Insurance Industry Award 2009 for innovation of the year.

Crash Management has sponsored a 12-month package with IBANZ College valued at \$4000 and provides a chance every month for any employee of an IBANZ member company to win an IBANZ College short-course or seminar of their choice.

Entry is simple - just click on the Wordpress blog icon on the home page at www.crashmanagement.co.nz, scroll down to the most recent post titled Insurance Brokers - this is for you, and add your question, comment, or suggestion.

Crash Management managing director Karen Knight says: "IBANZ College can deliver the knowledge, insights and tools to ensure your future success. So enter now - a winner with IBANZ College is a winner for life."
