

CRASH BROKERS

to the rescue...

This used to be enough to ruin your day, your week, and probably the whole month – but with Crash Brokers on your side, the nightmare of arranging and managing collision repairs is a thing of the past.

Crash Brokers operate a top quality collision repairer network covering the Greater Auckland area and serving all insurance companies. The service is free to the customer and ensures unbeatable technical and customer service quality with no inconvenience including 24/7 response and priority service. Free pick-up and courtesy car delivery are just the beginning...

Crash Brokers understands the operational issues facing car-dependent SME's, professionals and small fleet operators and are very focused on supporting those requirements. The next time you need collision repairs leave the problem with Crash Brokers – the 0800 call centre will save you time, stress and money.
