

REINZ members love **CRASH BROKERS'** FREE service

Crash Brokers launched their free accident management service just last year but already have become the professional new face of the collision repair industry. Crash Brokers provide a

unique premium service specifically for car-dependent professionals and SME's. The REINZ immediately recognised the potential value for their members and Crash Brokers have now extended coverage to cater for the increased business. Crash Brokers expertise ensures the highest levels of technical and customer service standards with no inconvenience to the customer, and covers all Auckland suburbs from Orewa to Drury.

REINZ spokesperson Theo Simeonidis said, "We are constantly looking for quality products and services for our members. Our criteria are always strict in that we want to work with suppliers who are innovative, competitive and customer driven. Crash Brokers is all of these."
